PEST DISCLOSURE

The disclosure serves to inform potential purchaser of real property in Southern Nevada that various pest/insect species (hereinafter "pest") exist in Southern Nevada. Said pests include but are not limited to Scorpions (approximately 23 species including bark scorpions or Centruroides Excilicauda), spiders (including black widow and brown recluse) and termites, only to name a few.

All potential purchasers are recommended to gain a pest control report to verify the infestation and/or presence of pests. The potential purchaser is informed that pests may inhabit and real property in southern Nevada regardless of statements in the property Disclosure Statement or information contained in a pest control report.

The cost and quality of a pest control report may vary. The names and numbers of pest control providers are in the yellow pages under "PEST" as published by First Source for Area Code 702 includes complete listings for Blue Diamond; Boudler City; Henderson; Las Vegas; North Las Vegas. For more information concerning pest control in Southern Nevada you may contact the State of Nevada Department of Business and Industry, Division of Agriculture at 702-486-4690 ask for Jeff B. Knight, State Entomologist or Shirlene Wayland, Agriculturist II.

The Buyer is aware that a pest control inspection of any kind can vary in cost and quality. The Buyer makes the decision to purchase independent of the real estate broker(s) involved in the transaction and hereby agrees to hold Seller, Broker(s) & Licensee(s) in this transaction harmless and to defend and indemnify them from any claim demand of proceedings as a result of the presence of infestations of pests in or around the property.
